What is blended learning?

Why do blended learning?

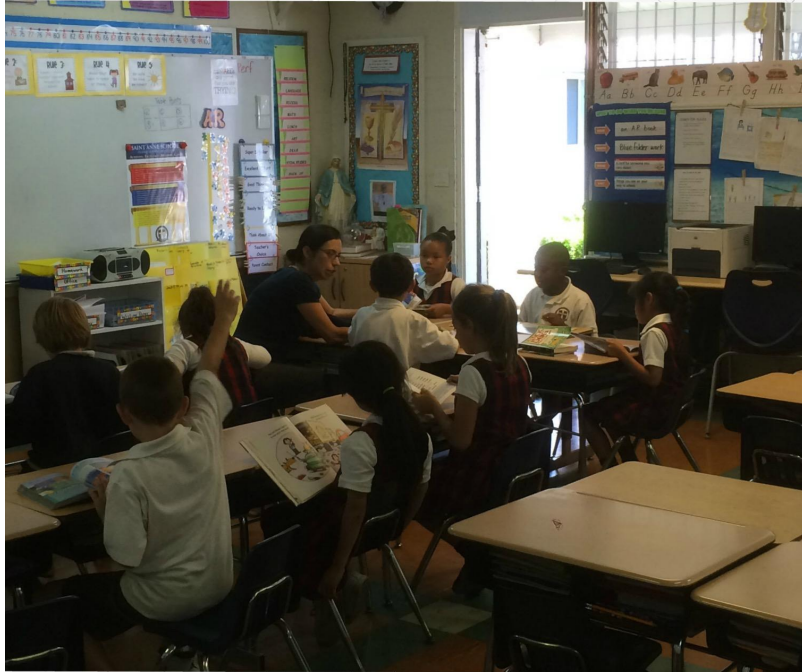

“My sons have been in the program for a year and I see tremendous growth.” –Ms. Christian

“Jayden does have a better attitude since blended learning started. You can see the progression in his work and in his attitude towards school. He really wants to be at school.” –Mr. Johnson

What is happening in small groups?

What are students doing on the computer?

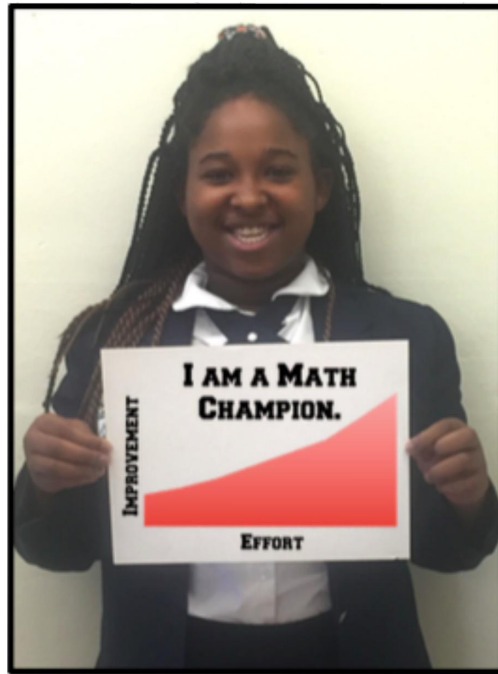

How does blended learning meet student needs?

“Having a teacher and being able to go on the computers makes it easier to learn because it’s fit for anybody who does it... Blended learning is at your just right level and I would say it’s perfect for you.”

-Clara, third grader
